The Mass Effect™ Platinum Hits bonus disc comes fully loaded with the *Bring Down the Sky* bonus episode, never-before-seen documentaries, exclusive footage that takes you behind-the-scenes with the Mass Effect team, a New Xbox Experience theme, and more.

Installing Your Mass Effect Platinum Hits Bonus Content

- Insert the Mass Effect Platinum Hits bonus disc into your Xbox 360® with a hard drive or a 512 MB Xbox 360 Memory Unit.
- Sign in to Xbox LIVE® using your Xbox LIVE gamer profile.
- From the bonus disc menu, use ✣ on your Xbox 360 Controller to move to Install DLC, and then press Ⓐ.
- Once the bonus content is loaded, press Ⓐ again.
- Eject the bonus disc, and then insert the Mass Effect Platinum Hits game disc.
- To get started playing *Bring Down the Sky*, head to the *Normandy's* command deck to locate the Galaxy Map. Press Ⓐ to select the map. Zoom out to Milky Way view, move to the Asteroid X57 map marker (in Asgard System), and then press Ⓐ to begin your mission.
